## A Beginner's Guide to Smart Contracts

One of the best things about the [blockchain \(http://blockgeeks.com/guides/what-is-blockchain-technology-a-step-by-step-guide-than-anyone-can-understand/\)](http://blockgeeks.com/guides/what-is-blockchain-technology-a-step-by-step-guide-than-anyone-can-understand/) is that, because it is a decentralized
